Obesity, Diabetes and Gastrointestinal Malignancy: The role of Metformin and other Anti-diabetic Therapy

Abstract View | Full Article View | DOI: 10.17352/2455-8583.000032
In Weimar, on the wall of Albert Schweitzer Museum, there is a memorial tablet which says: “The purpose of our life is to serve, to show solidarity and helpfulness.” The humanist medical doctor, theologian, philosopher, organist could not have expressed more clearly our confession. Behavioral therapy integrates the cure of body and soul, which occasionally show some d ...
