Radiographic Prescription Trends among Palestinian Dentists for Dental Implant Placement – A Cross Sectional Survey

Published On: March 01, 2017 | Pages: 011 - 014

Author(s): Hakam Rabi, Emad Qirresh and Tarek Rabi*

Background: In this present era implant dentistry has seen exponential growth and its success mainly depends upon a proper treatment planning and its execution. Radiographic imaging has a pivotal role in the planning of implant placement and follow up of implant survival. ...
Georges Paulin (1902-1942): A Legendary Dentist, a Resistance Hero

Published On: January 02, 2017 | Pages: 003 - 005

Author(s): Xavier Riaud*

Georges Paulin was born in Paris in 1902 [1]. From a humble background, he was a gifted child who soon got bored in school. Very early, he showed outstanding drawing skills. In 1918, his mother was killed during the bombings of the capital. He would never fully get over it. ...
